HOW TO APPLY FOR A LOAN

WHAT YOU NEED TO KNOW

IN 1926 a Student Loan Fund was established as a memorial to Eliza Bennett Hartshorn, the founder (1899) and first president of the Women's Club of Kensington.

Establishment of this fund is most fitting as Mrs. Hartshorn, the first president of the Montgomery County Federation of Women's Clubs from 1905-1908, was a pioneer in state and district federation movements and held a high regard for education.

In May 1952 other student loan funds were combined. These became the Educational Loan Fund of the Montgomery County Federation of Women's Clubs and are used to aid Maryland students desiring higher education.

These funds are maintained through club contributions, loan repayments, and individual memorials. The Loan Committee of the Montgomery County Federation of Woman's Clubs, Inc. administers them.
